

Sling meet sign-in sheet

Please read the Carry Australia (CarryAus) *Code of Conduct* overleaf and confirm your attendance by filling in the sign-in sheet. Please let us know if you are happy for us to use photos or video taken of you (and any child/ren in your care at the meet) in CarryAus promotional materials (print and online, including social media).

While you don't need to be a CarryAus member to attend our meets, we do rely on the support of our members to provide safe, up-to-date babywearing information and instruction to families. It's only \$20 a year to join. Visit carry.org.au for more info.

Acknowledgement of Country

Carry Australia acknowledges and recognises the Traditional Owners of the land upon which we live and work, and we pay our respects to their Elders both past and present.

Code of conduct for all Carry Australia members

This code of conduct has been developed and approved by the Carry Australia Committee of Management to guide and protect our members. We expect all of our members to read, agree to and follow these guidelines.

1. All members should make themselves familiar with, follow and advocate for Carry Australia's community-based peer education approach.
2. All people attending Carry Australia events or participating in Carry Australia online groups are welcomed and included regardless of their gender, race, sex, age, sexual orientation, religion, marital status, national or ethnic origin, parenting beliefs, political opinion, economic and social standing or disability.
3. Any advice or demonstration of babywearing carries or carriers at any Carry Australia event will be delivered only by Carry Australia Peer Educators (or by others under the guidance of a Peer Educator). All advice or instruction given will adhere to our [Educator Guidelines](#).
4. All Carry Australia Sling Groups will have at least one Peer Educator involved in coordination and leadership with assistance from Group Support Officers. Groups will follow and adhere to our [Sling Group Guidelines](#).
5. Babywearing vendors and consultants are recognised as valued members of the community and are invited to join Carry Australia as members and/or group leaders. Carry Australia events should however not be seen as an appropriate venue to promote a business and make sales. We ask all vendors and consultants to read and adhere to our [Vendor Guidelines](#).
6. We encourage our members to resolve any issues or concerns that they may have at the earliest opportunity with each other. Any grievances that cannot be resolved in this way should be brought to the attention of a Peer Educator or Senior Peer Educator as soon as possible. See our [Grievance Policy](#) for more information.
